

# Office of the City Clerk-Treasurer

Ordinance 28-2005

This ordinance requires a license for pool tables, electronic video games, pinball machines, and other mechanical electronic games for one year and conspicuously displayed in the place or establishment or such tables.

2006 Annual fees are payable:

For each billiard, pool or bagatelle table,      \$ 25.00 per table  
Each electronic video game machine,      \$25.00 per machine.

For each electronic video game or machine obtained following the issuance of the annual license, a new license must be obtained for each additional table or game.

If you have any such games in your place or business, please send us the completed application below, with your check, and we will send you your 2006 license.
